DISCO-BALL SNOWMEN

DISCO-BALL SNOWMEN PROP MAKING FOR MAGASIN DU NORD
We designed, built and installed x 4 motorised disco-ball snowmen for Magasin du Nord department store window displays in Copenhagen last Christmas.
Our bespoke hand made snowmen props were made from balls comprised of tiny mirror square facets on a fibreglass dome. The carrots were made of polystyrene carved and sprayed orange.
“Wow they look great!”
Stella Johnsson, Visual Communications, Magasin Du Nord.
