PAVE RISING STAR

A Rising Star is a young professional who has exhibited outstanding leadership in the retail environments industry. These emerging leaders anticipate client needs, motivate a team, transform the simple into the extraordinary, and inspire the consumer. This year's Rising Star should also have shown the ability to pivot, stay inspired, and inspire others while navigating the current state of retail and design.
Retailers, designers, and industry suppliers are invited to nominate individuals for this year's PAVE Rising Star award.
If you have worked with a young professional who exhibits such traits, show them that they're admired by nominating them.
Nominations are free and they can motivate a nominee to do even more amazing things. Gather some of their work and tell us why you think they should become the next PAVE Rising Star!
