HOTEL HANGERS & AMENITIES

We introduced our Hotel Hangers Collection two years ago. Since then, we've been thinking… how can we make this collection bigger, stronger and better to complement our existing Hotel Hangers? Presenting… accommodation essentials, a well-rounded assortment of Hotel Amenities in one convenient location for hotels, inns and B&B's to purchase all the essentials needed for a guest's overnight stay, in a comfortable home-away-from-home environment.

NAHANCO takes great pride in sourcing hotel amenities that are not only practical but meet or exceed quality expectations at a reasonable price. We have gone above the standard expectations a guest might require while staying with you to include accommodation essentials that offer convenience, enjoyment and comfort, including a single serve coffee maker, a rotating magnifying mirror and a digital alarm clock with a charging station, just to name a few. In addition, we have added a few select items that will make hosting your guests just a little bit more convenient for you, as the owner, manager or person in charge who knows everything. These items include a dual dry food dispenser (in a variety of colors), a wall mounted single basket for laundry and a two tier wire mesh rack for organizing and/or storage. Soon we will be adding high quality, Vermont made products for personal use to complete the package. Stay tuned for more items to come!
