WHY CHOOSE SHOPFIT

Headquartered in Canada, since 1998 Express ShopFitters Inc. has focused on North American retail fixture, display and millwork installation and related services. Multi-door installs to single location service calls.
However, noticing a lack of competitive options for fixture manufacturers, in 2005 we changed our focus to limiting our availability to fabricators and retail activators exclusively. The brands and retailers where we execute our services on their behalf, are their clients.
We deliver customized Nationwide project and surrogacy services, managing full roll outs, or one-off emergency repairs, through local teams nationally.
