LED LIGHTING FOR SIGNS

At SignComp Europe, we have been offering a range of lighting systems for signage to customers throughout the UK for many years. All of the LED modules we offer are of a high standard ranging from 3 to 7 years warranties to ensure our customers receive the very best solutions. The LED modules we stock are widely used by some of the biggest sign manufacturers within the UK.
We offer a comprehensive range of sign lighting systems such as BaltLED and Principal LED to ensure that we have all of your needs covered. LED lighting solutions have now become the principal way of illuminating your signage and with our range of high quality LEDs, we should have a solution perfect for your application.
