

UNIBOX

GRAPHIC DISPLAYS

Graphic displays are on the the most effective, accessible ways in which businesses can communicate brand messages and product information to their customers. Available in a range of formats and offering endless scope for customisation, graphic displays can be optimised to perform according to the individual objectives of different environments.
We have a wide variety of graphic display solutions to offer our clients the creative freedom and flexibility they need.
We have over 30 years of supplying illuminated and non-illuminated displays, both of which can be engineered as wall-mounted, suspended or freestanding systems to ensure that they can be integrated seamlessly into existing spaces.
Our team has worked alongside some of the world's most high-profile brands to design and manufacture graphic display solutions for projects of all types.
